1. You will earn 1 base point for each \$1 of net purchases. You will earn an additional 1 point for each \$1 of eligible airfare net purchases made online through the program booking tool. As a Chase checking customer, you will also earn 1 bonus point for each \$10 of net purchases (which equates to 10% of base points earned), and an additional 10 bonus points for each individual net purchase. To participate in this Ultimate Rewards program for checking customers, the primary cardmember must be the sole owner or a joint owner of an open Chase checking account. Customers who do not have an open Chase checking account will automatically be converted together with all unredeemed rewards to the Ultimate RewardsSM program, which does not earn the bonus points described above. You do not earn points on balance transfers, cash advances, cash-like charges such as travelers checks, foreign currency and money orders, any checks that are used to access your account, overdraft advances, interest, unauthorized or fraudulent charges, or fees of any kind, including fees for products that protect or insure the balances of your account. There is no maximum amount of points that can be earned. A service fee of up to \$20 per ticket may be charged for the use of our toll-free number to book or change airline itineraries. Redemptions made online do not have a service fee. See Rewards Program Rules and Regulations, which will be mailed after your account is established.

2. Once you enroll in Autopay to have this Chase credit card paid from a Chase checking account, and you remain enrolled for 12 months, you will be eligible for this bonus offer. Each year, we will refund the interest you paid on the billing statement that includes the first day of your Enrollment Month. ("Enrollment Month" is the month in which you first enroll in AutoPay.) After qualifying, please allow 4-6 weeks from your Enrollment Month each year for your refund to post to your Chase checking account. To be eligible for this bonus offer, your credit card account must be open and not in default at the time of fulfillment, and you must have an open Chase checking account.
