

1 for the meeting.

2 The next morning, the car picked me up at
3 nine and took me to his house. Entered through the
4 garage, went into the elevator, which took me upstairs to
5 the third floor. Once I arrived at the third floor, it
6 was like a huge theater with seats. It was just
7 humongous. In attendance was myself, Trudy Snipes was
8 there, Wesley's bodyguard, a chef, and an individual who
9 introduced himself to me as Eddie Kahn, and a young lady
10 who was not introduced. We were there for like 20
11 minutes and then Wesley showed up into the meeting.

12 Q Do you have any idea who the lady with Eddie
13 Kahn was?

14 A She wasn't introduced, but I'm assuming it
15 was his wife.

16 Q What was your job supposed to be at the
17 meeting?

18 A Wesley told us, Trudy and myself, that our
19 job was to take notes, observe, and ask any questions
20 once the presentation was over.

21 Q Who gave the presentation?

22 A Eddie Kahn.

23 Q Describe for us the general nature of the
24 presentation.

25 A Okay. Once the meeting started, we were

1 giving copies of brochures and court cases where
2 individuals had sued the United State government for
3 paying taxes and how they won. The pamphlets that we
4 received was how the government is crooked in taking our
5 tax payers' money, and how we're not supposed to pay
6 taxes to the government because that's our own money.

7 We also saw a one-hour video. And in the
8 video it showed how if a company is established in
9 foreign -- in a foreign entity, not in the United States,
10 how the government cannot tax any individuals that work
11 for a foreign entity.

12 Q Was it clear to you who had produced the
13 video?

14 A No.

15 Q But the whole presentation, was it made by
16 Eddie Kahn?

17 A Yes.

18 Q How long did this presentation last?

19 A We arrived there around nine. We broke for
20 lunch for an hour and a half. And I left at three.

21 Q At some point were you asked to leave the
22 meeting or was there a private meeting that was held?

23 A After the presentation, Eddie Kahn asked if I
24 had any questions, and I said yes. One of my questions
25 was, if a company has an EIN number in the United States,

1 how is it then you're telling me that we're not supposed
2 to pay taxes. Wesley got up and got upset. He goes,
3 that's not what I have you here for.

4 Then my other question was, if I'm an
5 employee of the United States and I've never been
6 overseas, how can you tell me taxes are not supposed to
7 be taken out of my check.

8 At that point, Eddie Kahn and Wesley got up
9 and went to a separate room. They left for maybe 20
10 minutes. And then Wesley, you know, personally told me,
11 okay, Carman, your job is done here. You can leave.

12 Once I got my belongings, he says, oh, and by
13 the way, you're not to take any materials out of the
14 office. So I had to give up all the visual aids that
15 Eddie had given me when I went into the office, and any
16 notes that I had taken, I had to give my notebook. And
17 the car picked me up and took me straight to the hotel.

18 Q At some point, did Eddie Kahn and Mr. Snipes
19 have a private meeting?

20 A Right, after I asked my questions and Wesley
21 got upset with me for asking questions about taxes, Eddie
22 and Wesley went into another room, shut the door, and
23 they were in there for about 20 minutes. And then once
24 they came out of the room, that's when Wesley told me
25 that I had to leave.
